

Langley Messages to Parents

Friday 11th September 2026

Welcome Back message from our Chair of Governors:

Dear Parents/Guardians, Carers, Pupils and Staff,

On behalf of the Governing Board, I would like to extend a very warm welcome to everyone as we begin a new academic year.

The start of a new school year is always an exciting time, bringing fresh opportunities, new experiences and the chance for every child to learn, grow and achieve their very best. Whether you are returning to school or joining our community for the first time, we are delighted to have you with us.

To our pupils, we wish you every success in the year ahead. Embrace new challenges, be curious, work hard and make the most of the opportunities available to you. We look forward to celebrating your achievements and seeing you thrive throughout the year.

To our parents/guardians and carers, thank you for your continued support and partnership.

Working together, we can provide the very best educational experience for our children and help them reach their full potential.

To our dedicated teachers and all school staff, thank you for your ongoing commitment, professionalism and care. Your hard work and dedication make a real difference to the lives of our children every day, and we are grateful for the positive impact you have on our school community. As we begin this new academic year, let us look forward with optimism, ambition and a shared determination to make it a successful, enjoyable and rewarding year for everyone.

I wish you all a happy, healthy and successful academic year.

With best wishes,

Wazma Qais

Drop off and pick up: We worked hard together last year to improve the safety of our school drive by reminding parents not to use it to drop off or collect pupils without authorisation from school. We thank you all for your shared understanding of the dangers that extra traffic presents and about the limited space we have available in our car park. The car park is only available to parents in exceptional circumstances, as we have to consider both the capacity and the impact of traffic. Unfortunately, this may mean that what feels like a reasonable request is declined. We remind you that we run both a before school and after school club, that can be booked onto in advance. We also operate a Walking Bus from Olton Friary each morning, that can be applied for through the school office if you are facing challenges to walk the distance to school. Full details can be found in this letter. [Drop off and pick up arrangements 11.09.26](#)

For all children: Please note that ***all photo consents including the school photographer*** are now on the MCAS app. We are asking that ***all*** parents/carers input their responses by Wednesday 16th September. If you wish to revoke a consent after agreeing to it, please email the school office. Please see our Data Protection Guidance sheet for more information - [Data Protection Guidance](#)

All parents/carers need to complete our Data Protection form of which a hard copy will be sent home with your child today. [Data Protection Consent Form and Guidance](#)

Year 4: In Art this half term children are making sculptures. Please could you provide your child with a bar of soap for our Art lesson next week. PE - Year 4 are really lucky to be having our sports coach on a Wednesday afternoon who will be teaching football. Please make sure your child has a warm tracksuit and trainers to go outside during any weather.
