

Mathematics

As mathematicians, we will be using our understanding of place value up to 100. They will find number bonds, compare, order and estimate numbers.

Reading

We will be reading 'Prince Cinders' and 'The Proper Way to Meet a Hedgehog'. We will use the reading skills such as: retrieval, prediction, inference, vocabulary and explanation.

Writing

As authors, we will be able to write a narrative based on the book Stardust. Then, write a non-chronological report on Habitats.

Science

As scientists, we will explore Animals and their Needs by exploring and comparing the differences between living and not.

Physical Education

As athletes, we will be learning a range of ball skills. For indoor PE, our focus will be doing a gymnastics where children will learn a range of jumps and rolls and put them into a sequence.

History

As historians, we will be looking at the Great Fire of London during 1666. They will use a range of sources to understand what life was like and how the fire spread so quickly.

Year 2 Autumn Term 1 Curriculum Overview

Art

As artists, the children will be exploring how artists use tone and texture and applying these techniques in observational drawings.

Personal, Social & Health Education

Being me in my world unit explores with children: how to recognise then they feel worried and know how to ask for help; make their class a safe and fair place; and work cooperatively.

Religious Education

As theologians, we will be focusing on the religion of Hindu. During lessons we will learn all about the celebration of Diwali.

Computing

Children will develop their understanding of what information technology is and will begin to identify examples in school and beyond.
