An introduction to Childcare Bookings for Schools

Dear Parents,

Tudor Grange Primary Academy Langley have taken the decision to outsource the booking, payment & administration of their on-site Pre-School/Nursery to our company – Childcare Bookings for Schools.

Who are Childcare Bookings for Schools?

Our company supports schools running their own childcare by dealing with all of the bookings and associated admin. We are experts in our field, with over 15 years' experience in the management of childcare.

Most relevantly, our service already supports TGPA Langley's Before and Afterschool clubs with great success.

What is provided for parents?

We support parents with all aspects of booking, payment & administration. This includes:

- 24/7 access to our bespoke online booking system, which provides;
- Independent access to make & amend bookings, update details, or download financial statements, with;
- Further phone or email support available from 9am – 5pm, Monday to Friday, all year round.

For queries related to the running of the Pre-School itself (e.g. food, activities, welfare, or lost property) your point of contact will remain the team on-site.

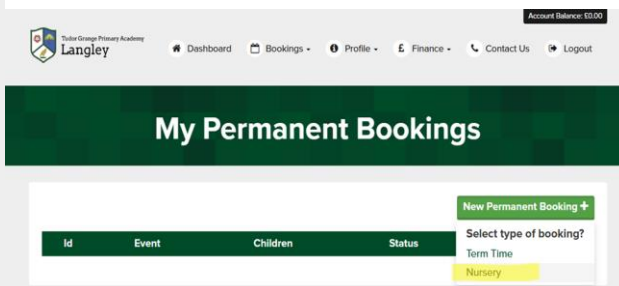

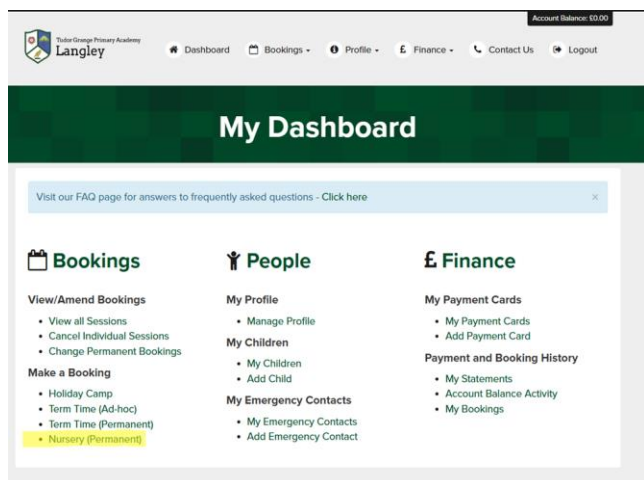

Online registration is now open

We are very pleased to announce that the online booking system for TGPA Langley's Pre-School is now live. You can access the system by clicking [here](#) or visiting <https://langley.cbfs.uk/>.

The account registration process should take no longer than 5 minutes to complete. All that is required is for you to provide details for:

- The account holder (you) and your child(ren).
- Two different emergency contacts.
- Your child's Free Entitlement eligibility (including their FE code, if relevant).
- A payment card (no payment will be taken, but a card will be required to make bookings).

For nursery or preschool bookings, simply click the Nursery (Permanent) option and select the relevant group for your child and then click "Nursery" within the bookings page highlighted on the next page.

We would strongly recommend that you take the time to register an account now, to be prepared for securing spaces that you require now or in the future.

We look forward to working with the school and supporting you with your childcare needs.

Kind regards,

George
