ENGAGE – Engage events are non-competitive festivals created to inspire a targeted group of young people who would benefit most from a positive physical activity experience eg Well Being Festival, Personal Best Festival etc

DEVELOP - Develop events are for pupils who enjoy friendly competition but do not want to solely focus on winning and losing. Develop events will have a strong emphasis on the SG values and will primarily focus on supporting the development of physical, personal, emotion and social health.

COMPETE – Compete events are for pupils who are competitive in nature and enjoy performing and competing against others.
