This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Why we use Sing Up Music: *Sing Up aims for every child to have access to high-quality, practical and engaging musical experiences. For all children to develop the self-confidence, skills, knowledge, and understanding to develop a lifelong love of music.* Sing Up provides high-quality teaching resources that are perfect for our children including our SEND children.

Sing Up Music is designed and written by subject specialists. It sets out skills, knowledge, and understanding to be gained by all pupils at each stage of learning including Early Years and the Foundation Stage. It is complete with extensive progressive resources that meets the requirements of the National Curriculum for Music, the suggested approaches of the Model Music Curriculum, as well as the Statutory Framework for Early Years Foundation Stage and Musical Development Matters. In addition to this, this chosen curriculum draws upon a broad range of musical traditions, authentic songs and materials. All lessons teach and recap the fundamental elements of music. To ensure a mastery approach to learning, at the start of each music lesson, the children will have flash back questions to revisit previous learning. Teachers will use the 'I do, We do, You do' approach.

Delivery of Music:

Early years – 30 min lesson (6-8 lessons per term)

KS1 – 40 min lesson (6-8 lessons per term)

KS2 – 50 min lesson (6-8 lessons per term)
